

**Goodnight.
Sleep well.**

**Goodnight. Sleep
well.**

Thanks.

What's that noise?

A cat.

What's that noise?

An ambulance.

What's that noise?

A car alarm.

What's that noise?

**The wind in the
trees.**

What's that noise?

**Rain on the
windows.**

What's that noise?

Birds on the roof.

What's that noise?

It's your alarm.

It's morning.

Wake up.

Oh no.

I'm so tired.
